Cankarjev Dom Cultural and Congress Center

Ljubljana, Slovenia 

Dear Colleagues,

On behalf of the **International Society for the Study of Vulvovaginal Disease (ISSVD)**, the Board of Directors, Scientific Committee, and Local Organizing Committee, it is our great pleasure to invite you to join us for The International Vulvovaginal Disease Update and XXVII World Congress of the International Society for the Study of Vulvovaginal Disease. The **International Vulvovaginal Disease Update (PG)** is a postgraduate course and will be **offered on September 13 & 14, 2024** followed by the **XXVII World Congress (WC) held on September 16-18, 2024**.

The venue of the congress is the Cankarjev Dom Cultural and Congress Center, located in the very center of Ljubljana, the capital of Slovenia.

The **International Society for the Study of Vulvovaginal Disease** is the foremost **organization for those providing care for children, adolescents, and adults with vulvovaginal disease**. It is a truly international organization with members from more than 45 countries.

This meeting will be a **live event held in Ljubljana, Slovenia** with enduring materials available until December 2024.

We expect over 800 registrants with a substantial proportion being key decision makers and budget holders for their health institutions both regionally and internationally. Attendees are keen to learn from these world leaders to hear the recent innovation that is occurring in this sector and how advances in decision support, user interaction design and information and data discovery can assist in the practice of medicine. We will **work with our sponsors and exhibitors to ensure that they have every opportunity to connect and interact with our attendees**.

The ISSVD is passionate about making live connections and making this event successful for all parties involved. **We would be happy to discuss all opportunities with you**, based upon your interests.

Sincerely,
Scientific Planning Committee

President, Tanja Bohl, MD
Secretary-General, Pedro Vieira Baptista, MD
Executive Director, Debbie Roepe
